TARUN SARASWAT

Web Developer | Front-End Developer | Full-Stack Developer
63675-12934 | saraswattarun740@gmai.com |

Summary

As an enthusiastic and self-motivated web developer, I am passionate about building interactive and responsive websites. With a solid foundation in web development technologies like HTML, CSS, JavaScript, and React, I am committed to continuously learning and applying modern web practices. I have experience building real-world projects, utilizing tools like RESTful APIs to create user-friendly applications.
